

Independent Reading Assignment

The final product is worth 60 points!

Due: 12/02/2015 (A Day) & 12/03/2015 (B Day)

You will be evaluated on your independent reading each semester. You must read a minimum of two novels. Your grade will be based on the crafting of an electronic, 1-2 minute presentation, number of books read (2 books required), *reading level of the books selected, and participation. You are required to bring your independent reading book to class every day. The first book check will be September 2nd (A Day) and September 3rd (B Day).

The visual presentation must be an electronic presentation. For example, you may create a Prezi presentation, Power Point presentation, use Google Slides, Paper 53, video, etc... It is up to you how you would like to present your information. After you have completed your presentation, you will email it to me at the following address: cbacho@petk12.org. Be Creative! The framework for your presentation must address the following for each book read:

- Author of each book
- Title of each book
- Number of pages of each book
- Genre of each book
- Visual to represent each book
- You must focus on one state standard for each novel read. The state standards have been attached for your convenience.

*The novel should be both age appropriate and neither too easy or difficult. The reader should feel challenged by the material and able to extrapolate meaning and enjoyment from the chosen text.

PRESENTATIONS SHOULD NOT EXCEED 2 MINUTES!
